To Whom It May Concern,

RE: Confirmation of Financial Need – Beka Eli

I hereby confirm that **Beka Eli**, a resident of Kayole location, is known to me. He comes from a **self-employed household with limited and irregular income**. He is **the last born in his family and the first to attain university education.**

Currently, Beka Eli is **not employed** and has no independent source of income to fund his postgraduate studies. Based on my knowledge of the family's financial situation, I confirm that he is genuinely in need of financial assistance to continue his education.

I recommend him for any financial support available.
